More Time for Yourself

HERE'S A WAY TO GET IT:

Busy from morning to night!!... A thousand and one things to do around the house!!... At night too tired to really enjoy yourself!!... On those busy days, let the telephone help you with your shopping and marketing problems. Telephone your butcher—your grocer—your baker—the dealers with whom you trade... Most stores are anxious to fill your telephone orders and you'll find your money goes just as far as when you go in person... Why not try it today—and save time for yourself—for the things you really want to do.
